

Pow-R-Xpress - Pow-R-Stock Compatibility

		Pow-R-Xpress Breaker Kits (Power Defense)	Pow-R-Stock Breaker Kits (Series C/G)
			
Pow-R-Xpress Interiors		1	2
Pow-R-Stock Interiors		3	4

SAFE RULE of THUMB: PRX w/ PRX, PRS w/ PRS

1. Pow-R-Xpress Interior with Pow-R-Xpress Kits – OK

- PRX interior covers do accept (fit) PRX breaker kits (w/ Power Defense)
- PRX interiors to have 2" ratings label cover that can be used in top or bottom mount applications
- No compatibility issues – Promote conversion to PRX ASAP, both interiors and breaker kits

2. Pow-R-Xpress Interior with Pow-R-Stock Kits

- PRX interior main covers now accept PRS breaker kits (w/ Series C/G) except K Frame kits, (must use K frame cover).
- 2" ratings label cover (implemented on 5/6/2021) should be removed/reinstalled for bottom entry applications.
- Eaton authorization letter confirming field installable PRS Breaker /Connector kits acceptability in PRX interiors posted on my.eaton.com.

3. Pow-R-Stock Interior with Pow-R-Xpress Kits

- PRS interior covers do **NOT** accept (fit) PRX breaker kits (w/ Power Defense)
- PRS interior bills-of-materials will **NOT** be changed for interiors or kits
- To use up PRS interior inventory, order PRS breaker kits as needed

4. Pow-R-Stock Interior with Pow-R-Stock Kits – OK

- PRS interior covers do accept (fit) PRS breaker kits (w/ Series C/G)
- PRS bills-of-materials will **NOT** be changed for interiors or kits
- No change to compatibility
- To use up PRS interior inventory, order PRS breaker kits as needed
