General Price Increase

Effective November 11th, 2020

Here are some things to be aware of:

- Most engineered assemblies & standard products will increase by 3-5%
- This *will* effect special pricing agreements (CSPs) – updated copies can be generated
 - VOTW > Reports
- Updated discount schedules & a searchable PDF file of the Price and Availability Digest (PAD) is NOW available via:
 - My.Eaton.com > Pricing & Availability > Electrical > Product & Price References > Price and Availability Digest
- For new into-stock pricing info, go to
 - VOTW > Pricing File
- Existing orders *MUST* be released for manufacture prior to November 11, 2020 OR be subject to the price increase
